

Field Name	Type	Description
id	integer	Primary key for the table.
name	text	The name of the location.
lat	float	Latitude coordinate.
lon	float	Longitude coordinate.
address	text	The address of the location.
city	text	The city where the location is located.
state	text	The state or province where the location is located.
country	text	The country where the location is located.
zip_code	text	The zip code for the location.
population	integer	The estimated population of the location.
area_code	text	The area code for the location.
longitude	float	A synonym for lon.
latitude	float	A synonym for lat.
location_type	text	The type of location (e.g., city, town, neighborhood).
estimated_population	integer	An estimated population value.
area_code_value	text	The value of the area code field.
longitude_value	float	The value of the longitude field.
latitude_value	float	The value of the latitude field.
location_type_value	text	The value of the location_type field.
estimated_population_value	integer	The value of the estimated_population field.
area_code_label	text	The label for the area_code field.
longitude_label	text	The label for the longitude field.
latitude_label	text	The label for the latitude field.
location_type_label	text	The label for the location_type field.
estimated_population_label	text	The label for the estimated_population field.
area_code_alias	text	An alias for the area_code field.
longitude_alias	text	An alias for the longitude field.
latitude_alias	text	An alias for the latitude field.
location_type_alias	text	An alias for the location_type field.
estimated_population_alias	text	An alias for the estimated_population field.
estimated_population_min	integer	The minimum value for estimated_population.
estimated_population_max	integer	The maximum value for estimated_population.
estimated_population_mean	integer	The mean value for estimated_population.
estimated_population_stdev	integer	The standard deviation for estimated_population.
estimated_population_min_label	text	The label for the estimated_population_min field.
estimated_population_max_label	text	The label for the estimated_population_max field.
estimated_population_mean_label	text	The label for the estimated_population_mean field.
estimated_population_stdev_label	text	The label for the estimated_population_stdev field.
estimated_population_min_value	integer	The value of the estimated_population_min field.
estimated_population_max_value	integer	The value of the estimated_population_max field.
estimated_population_mean_value	integer	The value of the estimated_population_mean field.
estimated_population_stdev_value	integer	The value of the estimated_population_stdev field.
estimated_population_min_label_value	text	The value of the estimated_population_min_label field.
estimated_population_max_label_value	text	The value of the estimated_population_max_label field.
estimated_population_mean_label_value	text	The value of the estimated_population_mean_label field.
estimated_population_stdev_label_value	text	The value of the estimated_population_stdev_label field.
estimated_population_min_label_label	text	The label for the estimated_population_min_label field.
estimated_population_max_label_label	text	The label for the estimated_population_max_label field.
estimated_population_mean_label_label	text	The label for the estimated_population_mean_label field.
estimated_population_stdev_label_label	text	The label for the estimated_population_stdev_label field.
estimated_population_min_label_value_label	text	The value of the estimated_population_min_label_label field.
estimated_population_max_label_value_label	text	The value of the estimated_population_max_label_label field.
estimated_population_mean_label_value_label	text	The value of the estimated_population_mean_label_label field.
estimated_population_stdev_label_value_label	text	The value of the estimated_population_stdev_label_label field.

BASIC INFORMATION	
Field	Description
Last Name	Brown
First Name	John
Middle Name	
Suffix	
Date of Birth	1971-01-01
SSN	111-22-3333
Gender	M
Race	Caucasian
Marital Status	Married
Employment Status	Employee
Address	123 Main Street
City	New York
State	NY
Zip	10001
Ethnicity	White
Primary Language	English
Secondary Language	Spanish
Primary School Attended	PS 100
Secondary School Attended	HS 100
Postsecondary Education	University of NY
Hobbies	Reading, Running, Traveling
Religious Preference	Christian
Political Affiliation	Democrat
Employer	ABC Corp
Job Title	Software Engineer
Years at Current Job	5
Job Description	Develop software applications.
Employer Address	123 Main St
Employer City	New York
Employer State	NY
Employer Zip	10001
Employer Phone	(212) 555-1234
Employer Email	info@abc.com
Total Assets	\$500,000
Total Liabilities	\$200,000
Total Net Worth	\$300,000
Primary Income Source	Employment
Secondary Income Source	Investments
Emergency Fund Level	High
Net Worth Growth Rate	5%
Annual Income	\$100,000
Annual Expenses	\$80,000
Debt Payments	\$10,000
Charitable Contribution	\$5,000
Other Expenses	\$5,000
Remaining Net Worth	\$300,000

Category	Description	Value
Current Assets	Cash and Cash Equivalents	\$100,000
	Receivables	\$200,000
	Inventories	\$300,000
