

Small text in the top left corner, possibly a header or page number.

The image displays a large, empty grid of cells, characteristic of a spreadsheet or data table. The grid is composed of numerous small, uniform rectangular cells arranged in a regular pattern. The grid is mostly empty, with only a few faint, illegible markings visible in the top-left corner, which correspond to the text in the first block. The grid extends across most of the page, leaving a small margin at the bottom and right.
